## 50 Year Class Reunion Event Details for Saturday the 10th - UPDATES

We Normans graduated the future. It was the last

P

In 1972 and had some lofty goals about time someone was on the moon.

We were very lucky to grow up in Beverly Hills, and very fortunate to go to Beverly Hills High School. Things our school couldn't offer were always available in the community, creating a strong character of fabric we've held throughout the years.

So now it's 50 years later and we're about to go back to the moon. Just like at graduation, the future is knocking at the door, but the past always has a seat at the table. Tables we all soon will be around and saying hello once again.

Join us for our 50 year celebration on September 10, 2022 from 6:30pm-10:30pm.

**Location:** is the Annenberg Community Beach House, Marion Davies Guest House at 415 Pacific Coast Highway, Santa Monica.

Parking: The class has pre-paid 90 parking passes at the Annenberg. Please identify yourself as a BHHS Class Reunion participant to the attendant and they will take care of you.

If you have a handicapped placard, please display it and do not take a parking pass.
